Social Work Department, UW Oshkosh
Bachelor of Social Work (BSW) Degree
Completion Plan

Name_____ Student ID#_____

Instructions: This worksheet is provided to students for the purpose of identifying courses needed to meet requirements for degree completion. The first side of this sheet lists the general education and other liberal arts courses which **must be completed prior to application for admission.** Place a check mark by each completed course. The other side of this sheet lists the 100-200 Freshman and Sophomore level Social Work courses which **must be completed before formal admission to the major.**

All of the courses must normally be completed by the second semester of the sophomore year (see Application for Admission to the BSW degree below). It also lists the remaining Social Work courses to be completed following formal admission. Place a check mark by each completed course. There is also room to list electives (20 credits required) toward fulfillment of the 120 credits toward graduation. It is the student's responsibility to periodically review and update this plan in order to determine progress (i.e., courses completed) toward degree completion.
