The schedule for club budgets was set as the following:

- Feb 26th, 27th, or 28th: Budget Managers Meeting

- March 19th – 23rd: Spring Break

Priebe Gallery Inventory

As requested by the SAC during its budget hearing, the Priebe Gallery provided a list of its inventory. Upon reviewing the inventory, the committee raised several topics for discussion.

First, the policy of the SAC was set that no piece of art could be stored in a private office due to security concerns. It appeared as though some pieces may be stored in private offices. Members also raised some concern that there were blank spots of the spreadsheet in some areas. A question also was asked as to what the purpose of the Priebe was, whether it was to collect art or to show art. Members of the committee decided to bring representatives of the Priebe Gallery to a SAC meeting to answer some of the questions.

Special Accommodations for Students

John Palmer brought it to the attention of the Committee that it is policy for student organizations to provide for any special accommodations for student that have needs, such as interpreters. He suggested that the committee think about putting aside an extra pool of money for student groups to be able to make addition requests from to accommodate needs as they arise.

The meeting was adjourned at 4:06 by Doug (Robbie)

Respectfully submitted,

Jeremiah Slinde
