**Don't forget Culture Connection I and II (HNRS 271 and 272)**

These Honors requirements are Independent Study courses so they're not included on our grids of regularly scheduled classes. Culture Connection encourages students to attend and respond to community events of their choosing. The assignments are designed to build and improve students' critical thinking and writing skills. At just one credit each, these courses fit easily into most semesters. Seats are limited so sign up soon!
