Pre Healthcare STUDY PLAN

First Year – Starting with Math 104 or placement to higher level math

Fall Semester		Spring Semester	
Math 104 <i>College Algebra</i>	(3crs.)	Math 171 or Statistics course	(4crs.)
Biology 105 Unity (NS)	(4crs.)	Chemistry 106 General Chem II	(5crs.)
*Chemistry 105 General Chem I	(5crs.)	(NS)	
(NS)		WBIS 188 Writing-Based Inquiry	(3crs.)
Math 106 (Interim)	(2crs.)	Biology per declared emphasis	(3-4crs.)
	14crs.	(NS)	
			15-16crs

^{*}If there is a scheduling conflict Chem 105 should take priority over Bio 105

First Year – For students testing to remedial Math 103

Fall Semester		Spring Semester	
Math 103 Intermediate Algebra	(3crs.)	Math 104 College Algebra	(3crs.)
Biology 105 <i>Unity (NS)</i>	(4crs.)	Comm 111 Fund. Of Speech	(3crs.)
WBIS 188 Writing-Based Inquiry Sem.		Chem 105 General Chem I NS)	(5crs.)
General Education – Psyc 101(SS)	(3crs.)	Biology per declared emphasis (NS)	(3-4crs.)
	<u>(3crs.)</u>		14-15crs.
	13 crs.		

Notes:

- Required courses vary depending on major and emphasis beyond above suggested plan. See department websites: www.uwosh.edu/psychology;
 www.uwosh.edu/kinesiology for more information.
- Refer to your STAR or the University Bulletin: <u>www.uwosh.edu/registrar/bulletins/index</u> for specific major and degree requirements.
- Students interested in post graduate professional school admission are <u>responsible for learning the</u>
 <u>requirements</u> specific to the school to which they plan to apply. Some of these programs will require
 Physics work not called for in the major. Admission is competitive. GPA is important.
- Students are encouraged to become members of the Pre Health Professionals Organization (PHPO) student group.
- 120 credits are required for graduation.
- See your advisor with questions careful planning is essential!
