

Name: _____

Menasha Map Key Activity

Directions: Color in the blank map keys so that they match the map key found on the maps. Make sure that you try to match the colors as carefully as possible. Some boxes have more than one color. Can you find the differences between the colors in the 1884 map key and the 1900 map key?

1884 Map Key

- | | |
|--------------------------|--------------------------------|
| <input type="checkbox"/> | Brick Building |
| <input type="checkbox"/> | Stone/Concrete Building |
| <input type="checkbox"/> | Brick outside, Concrete inside |
| <input type="checkbox"/> | Wooden Building |
| <input type="checkbox"/> | Brick outside, wood inside |
| <input type="checkbox"/> | Metal outside, wood inside |
| <input type="checkbox"/> | Dwelling/house |
| <input type="checkbox"/> | Stable/garage |

1900 Map Key

- | | |
|--------------------------|--------------------------------|
| <input type="checkbox"/> | Brick Building |
| <input type="checkbox"/> | Stone/Concrete Building |
| <input type="checkbox"/> | Brick outside, Concrete inside |
| <input type="checkbox"/> | Wooden Building |
| <input type="checkbox"/> | Brick outside, wood inside |
| <input type="checkbox"/> | Metal outside, wood inside |
| <input type="checkbox"/> | Dwelling/house |
| <input type="checkbox"/> | Stable/garage
(Circle one) |

Bonus: Compare these map keys with the map key from the 1913 map. Which one does it match?
1884 or 1900
