DESCRIPTION OF PROJECT ASSIGNMENT

What were the art teacher's expectations/criteria for the assignment? Were you learning a specific technique, applying principles of design, exploring certain art concepts? There is no need to answer this question if the piece was not created to meet specific criteria of a school project.

ARTIST STATEMENT

An artist's statement is a short piece written by the artist to accompany a particular artwork. It provides a window into the artist's thinking, creative vision, and/or process behind the work. The statement should increase the viewer's interest in and understanding of the artwork and explain any hidden meanings in the project. Do not exceed two paragraphs, and be sure to have a teacher edit your statement.
