

THE CHARLES P. SAVINO FAMILY SCHOLARSHIP FUND

Mr. Charles P. Savino, a graduate of the Class of 1967, studied biology during his years at Wisconsin State University Oshkosh, now known as University of Wisconsin Oshkosh. In fond remembrance of his college days and gratitude for the successes that followed, Mr. Savino has established this scholarship to support undergraduate Biology and Microbiology majors who demonstrate both financial need and academic achievement. The award will vary.

CRITERIA:

1. Full-time enrollment at the undergraduate level in College of Letters and Science at UWO.
2. Major in Biology or Microbiology.
3. Sophomore standing or higher and at least one semester remaining at UW Oshkosh following the semester of scholarship application.
4. Demonstrated financial need (e.g. FAFSA need).
5. Cumulative GPA of at least 3.0

Pick up the application form in the Biology & Microbiology Department Office! HS 142.
