

## UW Oshkosh Radiologic Science Major, Plan A

- Assumes Catalog Year of 2012 or earlier (*i.e.* “old” Gen Ed applies).
- For the *traditional* student pathway, completing this major involves earning two degrees: first, the Associate of Arts & Science (AAS), and second, the Bachelor of Science (BS).
  - Non-traditional pathway students, and indeed *all* students, are *urged* to see Program Director Dr. Merriman just as soon as possible ([merrimad@uwosh.edu](mailto:merrimad@uwosh.edu), HS 249) for assistance in planning courses.
- The Honors version of *any* course may substitute.
- Double-counting courses (*e.g.* HU/ES or SS/NW) are allowed. However, the On-Campus Component must include *at least* 60 credits.

Required Biology Courses (11-12 cr)	Other Required Math/Science Courses (16-17 cr)
<input type="checkbox"/> BIO 105 Biological Concepts: Unity (F,S,Sum) (4 cr) <input type="checkbox"/> BIO 211 Human Anatomy (F, S, Sum) (3cr*) <input type="checkbox"/> BIO 212 Human Physiology (F, S, Sum) (4 cr)	Choice of <u>one</u> 2-course series from the following list: <input type="checkbox"/> CHEM 101 + 102 (2 x 4 cr = 8 cr total) <b>-or-</b> <input type="checkbox"/> CHEM 105 + 106 (2 x 5 cr = 10 cr total) <b>-or-</b> <input type="checkbox"/> PHYSICS 107 + 108 (2 x 5 cr = 10 cr total)
Note: 105 = prereq for 211 = prereq for 212; must have “C” or better grade to progress.  *Note: 211 becomes a 4 credit course in Fall 2013.	Choice of <u>either</u> : <input type="checkbox"/> MATH 104 + 106 (2 cr + 3 cr = 5 cr total) <b>-or-</b> <input type="checkbox"/> MATH 108 (5 cr)
	Choice of <u>any</u> 3 cr Statistics course that satisfies the COLS Level II math requirement for the BS degree <input type="checkbox"/> Most students select MATH 201 (104 = prereq)

### Additional Required Courses (chosen from COLS/BS menu on pp. 18-23 of 2011-13 Bulletin):

- English Composition I/WBIS (3 cr)
- Advanced Composition (3 cr) (most require that 45 cr of college coursework be earned before enrollment)
- Human Kin/PE 105 Active Lifestyle (2 cr)
- NonWestern Culture (3 cr) (NW)
- COMM 111 Speech (3 cr)
- Literature course (3 cr) (HU)
- Three additional Humanities courses per COLS menu instructions (3 x 3 cr = 9 cr) (HU)
- History course (3 cr) (SS)
- PSYCH 101 General Psychology (3 cr) (SS)
- Two additional Social Science courses per COLS menu instructions (2 x 3 cr = 6 cr) (SS)
- Ethnic Studies (3 cr) (ES)
- ANTHRO 202 Physical Anthropology (4 cr) (NS) (**Fall only**)
- KIN 170 Medical Terminology (1 cr) (see Program Director for how to enroll)

**Earning the above 73-75 credits completes the On-Campus Component.** The AAS degree will be conferred by UW Oshkosh at this time, as a non-terminal degree.

- Majors must also *independently* seek and be granted admission to a JRCERT-accredited, 2-year, hospital-based Radiography School from the list of UW Oshkosh affiliates (see Program Director for list). Majors remain enrolled at UW Oshkosh during Radiography School.
- A Certificate of Completion from the Radiography School completes the Off-Campus Component.** The UW Oshkosh transcript will accumulate 60 credits of 400-level “Biology” courses from this Certificate of Completion. At least 120 credits – from *both* On- and Off-Campus Components *combined* - are required for graduation.
- Passing the ARRT “Registry” exam completes the major requirements and earns the BSRS degree.** For details on what constitutes a “pass”, see [www.artt.org/News/articles/2012-07-05-Radiography-Cut-Score-to-Increase-in-2013.aspx](http://www.artt.org/News/articles/2012-07-05-Radiography-Cut-Score-to-Increase-in-2013.aspx)
