

Criteria Statement

Sherman Randerson Memorial Scholarship

Establishment

Established in May 1988 by Margaret Randerson in memory of her son, Sherman Randerson, a professor of Biology & Microbiology at the University of Wisconsin Oshkosh from 1966 until his death in March 1987.

Criteria

1. Student must be a full-time undergraduate student at the University of Wisconsin Oshkosh acquiring a minimum of 45 credits at the completion of the semester of application.
-Note: originally the application was end of interim but the application has been moved to the beginning of the spring semester. However, we have retained the interim for the completion of the 45 credits.
2. Student must be a Biology or Microbiology major.
3. Student must have a minimum GPA of 3.0
4. Student must submit an application and two letters of recommendation from UWO faculty or academic staff by the spring application deadline typically in mid February to the Biology & Microbiology Department Office.

Selection

The department Student Affairs Committee will review all qualified applications for the award. They will select a recipient and notify the Foundation Office of their decision by the Student Awards deadline typically around the middle of March.

Award

1. Award amount will be based on interest income earned.
2. The award will be held at the Cashier's Office at the University of Wisconsin Oshkosh and will be applied for credit toward tuition of the fall semester.
3. One award will be given each year; the award will be renewable.
