Biology 105 Biological Concepts: Unity Laboratory Manual Spring 2012

Grading:

NO CELL PHONES OR TABLETS! I will deduct 10 points from your overall grade every time I see you with a cell phone/tablet in class. Your laboratory grade will be out of 200 points that will count in addition to your over all Biology 105 grade from the lecture component of the course. Each lab report will be worth 10 points (130 total), attendance will be worth 30 points total, and there will be four quizzes 10 points each (40 points total). The quizzes will be on random dates, but you will have a weeks notice before each quiz. I retain the right to modify grades in the event of extreme circumstances.

Laboratory reports (13 Labs):	130
Quizzes (4 total):	40
<u>Attendance:</u>	<u>30</u>
Total:	200

Laboratory Reports:

Laboratory reports will be collected periodically throughout the semester for grading. It is important that you complete the requirements of each lab exercise before you leave lab so that you are able to write complete reports. The reports are original work meaning that they should be written by you and not copied from one of your lab group members.

Quizzes:

There will be a total of four quizzes during the semester. There are no make-up quizzes. The format may vary, but the quizzes will consist of a combination of multiple choice, true/false,

and short answer questions. The quizzes will cover the material presented since the last quiz and will not be accumulative.

Attendance:

Attendance is mandatory for all labs. Students are responsible for all material covered in class. If there is a situation that prevents you from attending lab, you need to get in contact with me as soon as possible. If you want to receive points for attendance, you will need to provide documentation from a doctor or another valid source that vouches for your absence.

Academic Dishonesty:

Don't cheat. If you decide to cheat or engage in other forms of academic dishonesty you will be subject to the Student Academic Disciplinary procedures as outlined in the Student Disciplinary Code (<http://www.uwosh.edu/dean>).
