Podcast 5: For Transfer Students entering our Bachelor of Science in Radiologic Science Degree Program
We know transfers well

• ~40% of UW Oshkosh student body = transfers
• Diverse, one size does NOT fit all
Pass licensure exam, earn RT(R) credential & BS degree

Complete 2-year Hospital training program (may require relocation)

Apply to & be admitted to hospital affiliate

**General requirements for ANY Bachelor of Science degree**

- University Studies Program
- College of Letters & Science Associate’s degree requirements
Transfer student FAQs

• What do I need to know about my new campus & community?
• How do I obtain financial aid?
• Will all my transfer credits count toward my BSRS?
  – [www.uwsa.edu/tis/](http://www.uwsa.edu/tis/) tells you what UW Oshkosh accepts
• What *additional* courses do I need for BSRS?
  – Do I need to take the USP Quest courses?
  – In what order should I take them?
• When will I be ready to apply to hospitals?
USP transfer student policy:

• Up to 29 cr: must take Quest I-II-III-Connect
• 30-59 cr: must take TYE course
• 60 plus cr: excused from USP and TYE
• For more info: www.uwosh.edu/usp/transfer-students/faqs
Transfers seeking the BS in RS degree will work with several UW Oshkosh offices

- Dr. Merriman of Biology Department (which classes to take when, & when to apply to hospital)
  - merrimad@uwosh.edu
Cut to the Chase:

• Watch Rad Sci podcasts in numerical order
  – You *must* understand your degree

• As soon as your STAR shows Rad Sci major:
  – See which courses DID transfer
  – See which courses still needed

• From Rad Sci web page, download .docx file listing required courses
  – STRIKETHROUGH all courses that are DONE on STAR
  – Email this list to Dr. Merriman requesting custom degree completion schedule
    • In same email, tell me if:
      – You already have your RT(R) or Associate degree
      – You can’t attend summer session
      – You can’t carry a full time credit load (~15 cr)
Want more info?

- Go on to Podcast 6 “Leaving the Rad Sci Major”
- Online “Handbook for Majors” (updated every summer) found at [http://www.uwosh.edu/biology/undergraduate-program/majors-and-emphases](http://www.uwosh.edu/biology/undergraduate-program/majors-and-emphases) (click on Radiologic Science)
- Mr. Mertig, mertiga@uwosh.edu
- Prof. Merriman, merrimad@uwosh.edu
