College Credit

Enrolling in the University of Wisconsin Oshkosh Cooperative Academic Partnership Program (CAPP) courses is a convenient and affordable way for you to earn concurrent high school and college credit, while developing key skills for future success.

In a CAPP course, you will experience the challenge of college curriculum while in a high school environment, which will:

- Set you apart from other college applicants
- Give you the opportunity to register earlier
- Allow you to explore a variety of options while in college
- Provide you a chance to double major and graduate on time
- Lessen your course load
- Help you graduate early

Affordable ►

As a CAPP student, you will pay less than half the standard per-credit tuition rate with the cost based upon the number of credits assigned to each class. ► Refer to Graph.

Benefits

While enrolled in CAPP, you will receive a TitanCard, the official identification card at UW Oshkosh. It provides you access to:

- Polk Library
- University computer labs
- Music and theatre productions
- Athletic games
- Campus community events

CAPP vs. Advanced Placement

CAPP courses are actual college courses, where students may request an official UW Oshkosh transcript. Whereas AP courses are essentially advanced high school-level courses, after which you take an exam that may or may not earn college credit upon admission.

Requirements

If you are a junior or senior and meet at least one of the following requirements, you may enroll in CAPP:

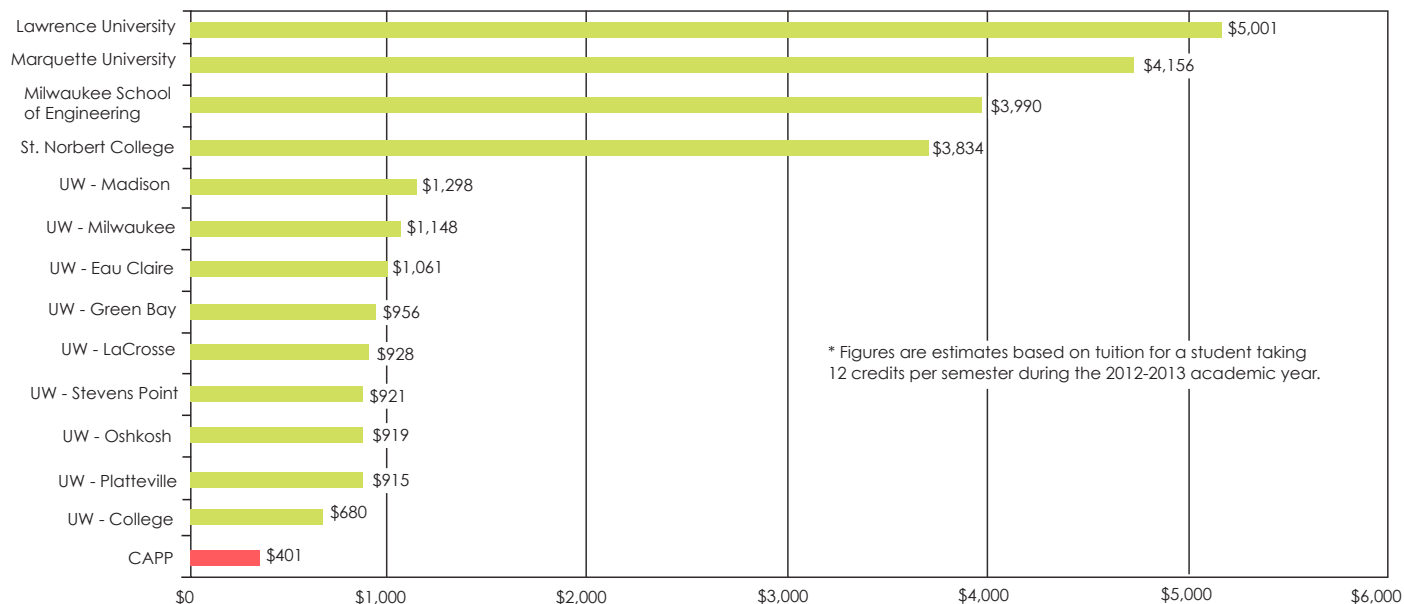

- Class rank in the top 25 percent
- GPA of at least 3.25 on a 4.0 scale
- ACT score of 24 and class rank in the top 50 percent

Other students may be eligible with approval of the University liaison, high school adjunct instructor and program director.

CAPP Instructors

Once approved under stringent guidelines by UW Oshkosh, high school teachers with master's degrees teach CAPP courses. These teachers collaborate with UW Oshkosh professors to implement courses at your school.
