- Bolster your college GPA
- Set you apart from other college applicants
- · Give you the opportunity to register earlier
- Allow you to explore a variety of options while in college
- Provide you a chance to double major and graduate on time
- · Lessen your course load
- Help you graduate early

Affordable

As a CAPP student, you will pay \$90 or less per credit - less than a third of the standard per-credit tuition rate with the cost based on the number of credits assigned to each class. Refer to Graph.

Benefits

While enrolled in CAPP, you may receive a TitanCard, the official identification card at UW Oshkosh. It provides you access to:

CAPP vs. Advanced Placement

CAPP courses are actual college courses that appear on an official UW Oshkosh transcript. AP courses are essentially advanced high school-level courses, after which you take a high stakes exam that may or may not earn college credit upon admission.

Requirements

If you are a junior or senior and meet at least one of the following requirements, you may enroll in CAPP:

- Class rank in the top 25 percent
- GPA of at least 3.25 on a 4.0 scale
- ACT score of 24 and class rank in the top 50 percent or 2.75 GPA

Other students may be eligible with approval of the University liaison, high school adjunct instructor and academic director. CAPP Instructors

Once approved under stringent guidelines by UW Oshkosh, high school teachers with master's degrees teach CAPP courses. These teachers collaborate with UW Oshkosh professors to implement courses at your school.

"One of the best things I did was take CAPP classes, because it put me further ahead than other college freshmen and saved me money." —Alyssa H.
