

Changing Appointments/Missed Appointments: If it is necessary to change or cancel your appointment, please call the Career Services office (920-424-2181) as soon as possible. Missed appointments may prevent another student from getting in for an appointment. If you miss three appointments, without canceling in advance in any given academic year, your Titan Jobs account may be inactivated and you may be ineligible to set up additional appointments. In order to reactivate your Titan Jobs account and resume services, you will need to meet with the Director of Career Services to develop a plan to avoid future problems.
