Notes:

- Supply Chain major courses found under SCM (rather than BUS) beginning Fall 2014 registration
- **Graduation requirement:** A minimum 2.5 cumulative (overall) GPA is required in Supply Chain Management (SCM) Required Courses. *It is possible to earn a grade below “C” in a SCM required course as long as you maintain the cumulative GPA of at least 2.5 in your SCM required courses.* However, SCM Advisory Board members recommend that SCM students maintain a minimum 3.0 GPA overall and in the SCM major to qualify for interviews at their companies.
- Most SCM courses are available in fall or spring only and can be prerequisites to other courses in the SCM major. Students are encouraged to take courses in the correct semester offering and to sequence courses to avoid delaying graduation.
