## Educational Leadership and Policy at UW Oshkosh

*Why Educational  
Leadership and Policy at  
UW Oshkosh should be your  
choice*

### **Flexibility**

This graduate program enables you to choose coursework to meet your goals and interests. Approximately half of the 30 program credits are required courses; the other half are your choice.

### **Convenience**

All courses are offered in formats designed to accommodate the schedules of working professionals, including evening and weekend classes in hybrid delivery.

### **Relevance**

This program focuses on the application of learning to the real issues and concerns that practicing professionals encounter every day.

## *Additional Options*

Develop the leader in you with an MS in Educational Leadership and Policy degree, graduate certificate or licensure program in:

- Athletics Leadership and Sports Management
- Leadership for Social Justice
- Library Media Specialist
- Post-Secondary, Technical and Adult Education (PTAE)
- PK-12 Principal Administrative License
- Director of Instruction Administrative License
