# Exciting News!

The American Counseling Association has endorsed the Association for Lesbian, Gay, Bisexual, and Transgender Issues in Counseling Competencies for Counseling Transgender Individuals. Dr. Amney Harper and Dr. Tom Scofield serve on the ALGBTIC Transgender Committee Task Force, whose charge it was to create these competencies. The competencies are posted on the ALGBTIC website ([algbtic.org](http://algbtic.org)) and will be included in a special issue of the *Journal of LGBT Issues in Counseling* on counseling with transgender clients in December 2010. You can find more information about the creation of these competencies in an article in this February's edition of *Counseling Today*.
