Guest: Linda Freed

Meeting convened at 1:50 PM

1. Linda Freed talked about the possibility of UW Oshkosh pursuing a major research instrumentation (MRI) grant through NSF.

Ensuing discussion included the following points:

2 proposals per institution is a realistic goal.

Linda believes there is a changing culture in NSF regarding these grants.

Successful submissions are able to tie together effective undergraduate teaching and research. Equipment that can be used by a broad array of people and campuses may also be successfully funded.

2. Bea Holton, Bill Mode, and Mike Briley agreed to serve on a steering committee to develop a list of criteria for UWO grant proposals.
3. John Cross said to expect a meeting on the 7th or the 21st of October.
4. Adjournment at 2:27 PM
