**Position/Internship Description**

If you are a Photography student interested in getting some "hands on" experience, Kalmbach Publishing Co. has what you're looking for! Kalmbach, a leading publisher of hobby/leisure magazines and books, currently has a part time paid Photography internship position available. Job duties include: setting up and shooting basic studio assignment and process shots, providing electronic retouching services to enhance or improve the quality of a photograph, using knowledge of digital photographic trends/techniques to assist in being a creative problem solver, and assisting the Photography Supervisor in other duties as well. Job requirements include: completion of two years at a Art, Photography, or Design School/College with Art classes, experience in Digital Photography, Photoshop, and In Design a plus, basic understanding of the print process, good communication and organization skills and a customer focused attitude!
