

Marketing & Advertising Internship at Trimark Properties (Gainesville, Florida)

Trimark Properties, a real estate company specializing in student housing, is now accepting applications for their Marketing & Advertising Internship program. Work at the company headquarters located in Gainesville, Florida (steps from the University of Florida college campus). Gain valuable experience to help out-compete other students when you graduate.

Chosen interns will work on developing and implementing the 2010 strategic marketing campaign for their Gainesville Apartments Division. Manage print and web-based marketing campaigns, mass communications, brand management, budgeting, forecasting, market research and more for 14 separate student apartment complexes near UF. The marketing team will also be developing the campaign for a brand new apartment complex, which is currently under construction for Fall 2011 move-in.

For more information on Trimark and the available internship programs, visit <http://www.TrimarkProperties.com>. All internship positions are located in Gainesville, Florida.

To apply, send cover letter and resume to hr@trimarkproperties.com. Include "Gainesville Apartments Division - Marketing & Advertising Internship" as the subject of the email. Ideally suited for students studying marketing, business management, advertising or mass communications. Minimum requirement of 20 hours per week. Student applicants should be business management, marketing, mass communications or advertising majors.
