

Math for Business Analysis I (67 - 204) - Spring 2008

Instructor: Muditha Abhaya

Office: Swart 222

Phone: 424 -7345

Email: abhayagu@uwosh.edu

Office Hours: Mon: 9:10-10:10 & 12:40-1:40; Wed: 9:10-10:10 & 12:40-1:40; Fri: 9:10-10:10 & 12:40-1:40.

Text: *Finite Mathematics for Business, Economics, Life Sciences and Social Sciences*, 11th Edition by Barnett, Ziegler and Byleen.

Topics: We will be covering sections from chapters 1 – 5, 7, 8 & 11.

Calculator: A graphing calculator is required. I will be using a TI – 83+, but the student can choose a different one and assume the responsibility for learning to use it.

Help: You should get help as soon as you find yourself not understanding something in class. Please come and see me during my office hours. Tutors are available free of charge in Swart 113 from 8am – 4pm Monday through Friday. You are encouraged to work together.

Homework: Homework will be assigned at the end of each section and will be collected to be graded. Two lowest homework scores will be dropped.

Quizzes: A quiz will be given almost every Friday. There will be no make-up quizzes. However, the lowest quiz score will be dropped. Quiz problems will be very much similar to the homework problems, so make sure you do all the homework problems.

Group Work: At times we will be solving problems by working in small groups.

Exams: There will be 4 exams. The dates will be announced a week in advance.

Grading: Your course grade will be based on 600 total points.

Four exams (380 points)

Six Quizzes (120 points)

Sixteen homework assignments (80 points)

Four group work assignments (20 points)

Grade	A	AB	B	BC	C	D	F
Cutoff(%)	90	85	80	75	70	60	<60
