

Summer Semester 2009
PBIS 189 Introduction to Statistics
Section 001 9:00-11:40 T Th Swart 127

Instructor: Jeannette Boudry

boudry@uwosh.edu

Office Hours: 8:00-9:00 T TH

Prerequisite 67-103 with a grade of C or better or placement

Help: You should get help as soon as you find yourself not understanding something in class. Please come in and see me during my office hours. Tutors are also available free of charge in the Math Lab in Swart 113.

Calculator: A TI-83 or TI-84 graphing calculator will be easiest to use because I will use this one in class. But only a scientific calculator with two-variable capabilities is needed. If you are not using a graphing calculator be sure to bring the calculator manual to class.

Attendance: Attendance will count as 5% of your grade. You are expected to attend and participate in each class. Attendance is important since some course work will take place in class and therefore cannot be made up. More than 1 absences (for any reason, illness, prior commitments, family matters, religious observance, . . .) will affect your final grade by losing one percent of your course grade for each class missed (up to 5 percent). Arriving late or leaving early will count as half a point.

Written Work: Written work will be worth 35% of your grade. Written work will include quizzes, problem assignments, group work, and group projects. There will be no make-up quizzes and late work will not be accepted except under extenuating circumstances. If you have a problem let me know about it.

Tests: There will be 3 exams. They will be worth 100 points each. They will be worth 60% of your grade. There will be no make-up tests given except under special circumstances and prior notice.

Tentative Test Schedule

Test 1 Thurs. July 2 Chapters 1, 2, 3, 4, 5

Test 2 Tues. July 21 Chapters 8, 9, 10, 11, 14

Test 3 Thurs. Aug. 6 Chapters 15, 16, 18, 19, 20

Grading:

The following scale will be used to calculate your grade.

<u>Scale:</u>	
92-100%	A
88- 91%	AB
82- 87%	B
78- 81%	BC
70- 77%	C
67-69%	CD
60- 66%	D
Below 60%	F

**Academic Honesty
Policy:**

Cheating on an exam, plagiarizing or any other form of academic dishonesty will be dealt with in accordance with the current UWO Student Discipline Code. The instructor reserves the right to assign a grade of “F” for the course should circumstances warrant.

Please put your cell phones away. No cell phone use in the classroom will be allowed. This includes being before class starts and the break time.

The last day to drop without Late Drop Form is Tues. July 14
