Sponsor a Student Team

This year, we are looking for a few good sponsors to help our students participate in the 4th annual Oshkosh Community Dragon Boat Race and Festival. All you need to do is make a commitment to sponsor a team at \$750 and then the students will raise the rest.

Once you indicate you are a sponsor and provide us with your contact and billing information, we will help you find a student team.

In addition to the many community and campus outreach benefits, you have the opportunity to spend a day with a team of great people and participate in the races while we celebrate the Oshkosh waterways, downtown and a great community.

We will provide visibility for your organization by:

1. Listing your company name and logo on a banner the day of race.
2. Announcing your company name as a sponsor throughout the day on our PA system.
3. Prominently display your team name at your team tent in the Athlete's Village.
