

Major Planning Issues

The following have emerged as the major issues that will affect the campus plan in the next ten years:

- ❖ Improve quality of classrooms (size, configuration, technology, furnishings)
- ❖ Rectify insufficient and obsolete program space
- ❖ Consolidate and/or relocate academic departments and support services
- ❖ Reallocate space through remodeling and reprogramming
- ❖ Improve access to campus outreach programs
- ❖ Address the special, support and study space requirements
- ❖ Address the campus parking shortage

The following is a summary of UW Oshkosh's 6-year major project list. These projects will allow the campus to address a number of the major planning issues in whole or in part.

2007-2009 General Purpose Revenue/Grants, PR or Gift Funds
