

THESIS/CLINICAL PAPER/FIELD PROJECT BINDING PRICE LIST  
Effective July 30, 2009

The Office of Graduate Studies requires one unbound paper copy of the final signed thesis/clinical paper/field project printed on paper approved for final copies, and one digitized copy in Portable Document Format (PDF). The PDF file should be one "continuous" file, e.g., not separate files for each section of the manuscript. The PDF file should be emailed to Julie Kumbier ([kumbier@uwosh.edu](mailto:kumbier@uwosh.edu)) at the same time the paper copies are submitted. The paper copy must be printed, photocopied, or typed on white paper, 25% or 100% cotton-rag content, 20-lb or 24-lb weight substance, standard size (8 ½ x 11 inches). The paper should not have an "embossed" texture, but it will have a "watermark." The high quality paper is needed for maximum library "shelf life." One check for binding and postage of the copies to be bound is made payable to UW Oshkosh and is included with submission of the final signed copies. Students are responsible for providing all sets of manuscript copies for each additional bound copy they request.

Students may have copies made however and wherever they chose. For information on having copies made at Copy This!! in Reeve Memorial Union, please see their web site at <http://www.reeve.uwosh.edu/copythis/>. Information is also provided on the reverse side of this price list.

The Office of Graduate Studies facilitates the binding process. ALL paper copies of the manuscript must have original signatures on the title pages. The College of Nursing requires one bound copy of an MSN thesis or clinical paper. The student may also have additional copies bound for personal or departmental use. The student should consult with his/her graduate program to determine if the graduate program requests or requires a copy.

After the bound copies are returned from the bindery, Graduate Studies will send the one required paper copy and the electronic copy to the University's Polk Library. Any additional paper copies for on-campus addresses can also be distributed by the Office of Graduate Studies. Any additional copies for the student's personal use will be sent to a single address provided by the student.
