Application Supplement

**UNIVERSITY OF WISCONSIN OSHKOSH GRADUATE SCHOOL
COUNSELOR EDUCATION PROGRAM**

Applicants for degree programs in the Counselor Education Department should use this form. Your cooperation in responding to the following questions and statements will enable a more comprehensive evaluation of your qualifications for graduate study.

It is very important that your responses provide relevant and complete information. Failure to do so is to your disadvantage because applications are denied due to inadequate supplements.

TO BE COMPLETED BY ALL APPLICANTS FOR THE M.S.E. COUNSELING DEGREE:

1. Check the area below that represents your primary career interest:

- Community Counseling
- School Counseling
- Student Affairs and College Counseling

2. Do you plan to engage in full-time or part-time study?

When is your anticipated date of entry into the program _____?

When is your anticipated date of completion _____?

3. Have you discussed the program with any UWO Counselor Education staff members?

Yes No If yes, with whom? _____

Remarks:

Please respond to the following questions and please type or word process your responses.

4. Please explain why you have chosen to apply for admission to the Counselor Education Program at the University of Wisconsin Oshkosh.
5. Please describe any paid or volunteer work experiences which are relevant to this program of study. Specify whether these experiences were professional or volunteer, whether they were on a full time or part time basis, and the dates of the experiences. Also, describe your duties and how those experiences relate directly to your professional goals.
6. Please describe an event, situation, or person that has had great influence on you in relation to your career plans.
7. Please explain your beliefs about how change takes place in people and how counselors may be involved in that change.
8. Please explain your understanding of the professional practice of counseling.
9. Is there additional information you would like the Admissions Committee to consider? Please feel free to provide any additional information that you want the Admissions Committee to consider.
