MATHEMATICS LEARNING IN CHINA: OBSERVATIONS FROM STUDY ABROAD

**A University of Wisconsin Oshkosh
Math Department Colloquium
Presented by**

Leah Christian, UWO Math Major

Sarah Roth, UWO Math Major

& Jen Szydlik, UWO Faculty Member

Wednesday, November 13, 5:00 – 6:00 PM

in Swart 217

In the spring of 2013, eleven UWO students and two faculty members traveled to the People's Republic of China to study math education.

In this presentation, we will tell you what we learned from Chinese teachers and students.
