

# Making Mathematical Connections

## Research Project

### Participant Registration Form

---

The **Making Mathematical Connections** project at the University of Wisconsin Oshkosh is conducting a **research study** as part of the evaluation of its professional development program for mathematics teachers. This research study is being overseen by the UW Oshkosh Institutional Review Board. All data collected will be kept confidential, and used only for the purposes of this research study. In particular, your results on these surveys and assessments will not be shared with your school or school district.

**This research study about teaching mathematics, and is open to teachers of mathematics in grades 4-8.**

You will come to **UW Oshkosh** for a half-day session on *either* **Tuesday June 29, 2010 or Thursday July 8, 2010, from 9 am to 1 pm**, and complete several surveys about teaching mathematics, including items asking about your practice and beliefs about teaching and learning mathematics, and the mathematics knowledge used in teaching mathematics effectively.

Then, one year later, we will conduct a similar follow-up study with another half-day session in June 2011. Several dates will be available for you to choose from. You will not be asked to do anything for the project during the year between these sessions. **If you choose to participate, we will ask for a commitment to attending both one of the upcoming summer 2010 sessions and one of the follow-up June 2011 sessions.**

You will be **paid \$80** for your participation in the upcoming preliminary session this summer, and **paid \$120** for your participation in the follow-up session next June.

Tab through the fields to complete the application. Be sure to complete all 13 items.

1. Today's Date:

2. **Name:** Mr.  Ms.  Miss  Mrs.  Dr.   
First: Middle: Last:

3. **Home Address**

Street:

City: State: Zip Code:

5. Please indicate which address is your preferred mailing address:  Home  School
6. **Email address** (this will be our primary means of contacting you with information about the study):
7. Grade(s) in which you will be teaching mathematics in the coming year 2010-2011:
8. Average number of hours each day teaching mathematics in 2010-2011:
9. Years teaching total:                      Years in current district:
10. Undergraduate Major(s)  
Undergraduate Minor(s)  
Graduate Degree(s), if any:
11. Are you committed to participating in a preliminary session in Summer 2010?  Yes  No
12. Which date will you attend:  Tuesday June 29, 9am – 1pm  Thursday July 8, 9 am – 1 pm
13. Are you committed to participating in one of the follow-up sessions in June 2011 (several dates will be available, to be announced).  Yes  No
