Grading:

This is a performance ensemble. Therefore, your attendance and preparation for rehearsals is paramount to a good learning experience and a productive work environment. You will be graded according to your preparation for each rehearsal, and for attendance. Your grade at the beginning of the semester is an "A". Your semester grade will go down one grade for each rehearsal missed without an excuse. Your grade will go down for each rehearsal recorded as "unprepared". Example: If your grade is an "A", but you have one unprepared rehearsal and one missed rehearsal your final grade will be a "B".
