I don't know what
the future may hold,
but I know who
holds the future.

Help Students **Take a Step** in the Right Direction.

Scholarships make dreams come true for the University of Wisconsin Oshkosh students who receive them as well as for the generous donors who create them. Donors may establish scholarships in gratitude of the support they received as students or in honor or memory of loved ones.

Your scholarship support today puts UW Oshkosh students on the path to being tomorrow's teachers, nurses, business leaders, researchers, artists and other professionals.

To learn more about establishing a scholarship, contact the UW Oshkosh Foundation at (920) 424-2178 or online at www.uwosh.edu/foundation/giving-opportunities/scholarships.
