POLITICS AND CULTURE IN MARBURG

Marburg is famous for its medieval churches, as well as for the castle. The old city center is a labyrinth of narrow cobble stoned streets, lined with picturesque half-timbered houses.

The Hessen-Wisconsin Exchange is your gateway to this well-preserved historic city. Student life is visible all over, and as the saying goes: Marburg doesn’t have a University, Marburg is a University.

“I would highly recommend telling students to enroll in the IUSP program. IUSP was a lot more than 3 field trips early in the semester; they made you a part of German culture and German culture a part of you.”
