Payment by Financial Aid, Grant, Scholarship or External Loan:

Submit the "Notice of Financial Aid Award for Study Abroad" form to Student Accounts in place of payment by the first payment deadline. For UW Oshkosh students, financial aid will automatically be applied toward study abroad-related fees on your student account. If you are a student elsewhere, pick up your change check from your home campus, cash the check, and send payment to UW Oshkosh.

Although you are receiving this statement from the Office of International Education (OIE), these study abroad program fees will appear on your student account at UW Oshkosh as well. Therefore, you may also receive a statement from the student accounts office which includes some or all of your study abroad fees. Study abroad fees included on your student account are not duplicate charges. You will receive another statement from the OIE for your final payment.
