  - False

17. This question is NOT relevant to the homestay experience: A number of UW Oshkosh students have lost expensive personal property and had rooms entered while they were sleeping (by members of the opposite sex and by thieves) because they left the door to their accommodation unlocked. Knowing this, I will
- leave my door unlocked because it's just that much more convenient.
  - always lock my door when I am inside and when I am not in the room, even if I just leave to use the bathroom or visit the lobby.

22. The strategies I listed in multiple questions above are
- Good enough to protect me while I'm away. I just need to keep these in mind.
  - A good start. I plan to do additional research on my destination to ensure that I am aware of the risks and am able to develop an effective plan to address those risks.

I  did /  did not share the web link to the full study abroad orientation for my program with a parent, spouse, or other family member.

I understand that the orientation is mandatory for all students. In signing below, I am confirming that I reviewed all of the UW Oshkosh study abroad orientation print materials and the on-line presentation and answered the questions above on my own.
