

Fall 2008-Spring 2009

UNDERGRADUATE INTERNATIONAL STUDENT PARTIAL TUITION WAIVER APPLICATION FORM

This form should be completed in **addition** to the completed undergraduate international student application for admission. Failure to complete the entire "Declaration of Finance Resources" form will result in non-consideration of your application for a partial tuition waiver.

This form is to be completed by both the student and the parent(s) or sponsor(s). All signatures **must** be original. All amounts must be calculated in U.S. dollars. The entire Partial Tuition Waiver Application form must be completed before a decision can be made on eligibility for the award. Providing false information may jeopardize a student's immigration status and, furthermore, may result in UW Oshkosh revoking its initial decision to enroll the student. You must also complete a written statement regarding your need for financial assistance.

Estimated Expenses for the 2008-2009 School Year

Tuition and Fees (for two semesters)	\$13,266.00
Living Expenses (includes books and supplies)	\$ 9,456.00
Health Insurance	\$ 756.00
TOTAL ESTIMATED EXPENSES FOR NINE MONTHS	\$23,478.00

All tuition/fee amounts and living expenses are ESTIMATES. Amounts typically increase each year. Expenses do not include tuition/fees for the optional summer semester. Transportation to/from Oshkosh is not included. Room/Board estimates are for on campus housing with a meal plan.

NOTE: This is a relatively conservative budget for a student who budgets carefully and is willing to share living quarters with another student. While some students may need less money, many students find that they spend more than this amount. This estimate does not include the cost of international travel or keeping an automobile. Expenses may vary from estimates. Official tuition rates are set in August for the following school year. **ALSO NOTE:** If you plan on bringing any dependents, please complete a separate Dependent's Information Form (available upon request). An extra \$4,728.00 in funding is required for each additional dependent.
