

Children's Literature And Science Program (CLASP)

July 14-18, 2008

UW-Oshkosh Science Outreach

This week-long program will focus on improving science content knowledge through the use of children's literature and hands-on science activities using an inquiry-based learning process.

Physical Science will be the topic of choice this summer with other science topics incorporated in future years. Teachers will attend a week-long program July 14-18, 2008, and 3 follow-up meetings (July 28 or Aug. 18, Oct. 21 and 23) during the fall semester to earn 3 graduate credits (earned in fall semester).

- Cost: \$483 (subsidized by the WI ESEA Improving Teacher Quality grant program)
- Receive \$200 of FREE books and supplies for classroom use!
- The \$200 in supplies is funded by a cooperative agreement between UW Oshkosh and participating districts. Please notify us if you would like your district to be included as a cooperating district.
- Credits = 3 graduate credits
- Date = July 14-18, 2008 + Fall 2008 follow-up dates (July 28 or Aug. 18, Oct. 21 and Oct. 23)
- All classes held at Oshkosh North High School.
- Space limited—register NOW!
- Register by calling 920/424-0287 or by filling out registration online at www.uwosh.edu/science_outreach/CLASP/Registration_form.htm and mail to: Science Outreach, UW Oshkosh, 800 Algoma Blvd., Oshkosh, WI, 54901. Email to: sciout@uwosh.edu.

**Join us for a week of learning
and sharing of knowledge!**
