Hospice Medical Social Worker Opportunity (Full-Time with limited on call after hours responsibilities)!!

Heartland Hospice located in Milwaukee, WI is currently recruiting for a full-time Medical Social Worker. As a MSW you will provide psycho-social support to our hospice patients located in Milwaukee and the surrounding areas.

Experience in hospice is greatly desired but will consider health care experience in a multidisciplinary setting; experience working with clients and families coping with terminal illness and death, and experience with community programs is essential. Masters degree in Social Work and license in the state of WI required. 100% daily travel is required and mileage reimbursement is provided.

Be a part of a dynamic interdisciplinary team environment and spend quality time with your patients. We offer a competitive salary and full benefit package. Interested candidates please apply by contacting Kristin at klueptow@hcr-manorcare.com or apply on line at www.hcr-manorcare.com.
