Students spent a recent Saturday night at Reeve Memorial Union, 748 Algoma Blvd., watching movies, playing mini golf, painting pottery, creating spin art, and playing video games and laser tag, as part of the Student Leadership Involvement Center's Titan Nights. All activities at the March 8 event were free, including a midnight breakfast buffet. Due to its success, a second Titan Nights has been scheduled from 9 p.m. to 2 a.m. April 4.
