Looking to learn more about Graduate Studies at the University of Wisconsin Oshkosh?

Whether considering graduate school now or in the future, the upcoming [GradSchool Fest](#) open house (come and go anytime) can provide helpful information about advanced degree programs at UW Oshkosh. GradSchool Fest aims to provide information about the programs as well as information about getting into graduate school, including information on the Graduate Record Exam (GRE). Plus, faculty and staff from the programs will be on site to answer questions.

The annual spring event will be held April 18 from 4 to 6:30 p.m. on the second level of Reeve Memorial Union.

UW Oshkosh Graduate Studies offers more than 30 master's degree, certificate and doctoral degree programs; more than 13,000 people are UW Oshkosh graduate degree holders.

This year, [Celebration of Scholarship](#) will also be held April 18. The annual event gives all UW Oshkosh students an opportunity to showcase their research or creative activities in an exhibition setting.

Faculty, staff and students are encouraged to contribute calendar items, campus announcements and other good news to UW Oshkosh Today.
