At the May 27 Faculty Senate meeting, President Bill Wacholtz reported on the Academic Leaders Workshop and the meeting of the Provost Staff.

The Faculty Senate approved the Change of Grade Scale Resolution and the 13 curricular change items recommended by the APC.

The Senate also approved all of the faculty committee appointments recommended by the Committee-On-Committees and appointed Todd Kostman as the senate representative to the LERT committee.

The Senate condemned state lawmakers for rescinding the major portion of next year's salary merit increase.
