Libraries across University of Wisconsin System are conducting a survey to better learn your opinions about services, collections and spaces. We conducted this survey in 2004 and 2008, and is Polk Library's main assessment activity.

This web-based survey runs from February 5 to February 26. The link for the survey is:

The survey is confidential, however the system will separately ask for your email in order to enter our drawing for prizes. This year, Polk is very happy to offer staff the chance to win one of two \$50 Amazon gift cards.

Please take a few minutes and share your opinions so that we can continue to make service and collection improvements.

UW Oshkosh students are also being asked to take the survey. Please encourage students you teach or work with to participate. Students have the chance to win one of two iPad minis by [completing the survey](#).

Faculty, staff and students are encouraged to contribute calendar items, campus announcements and other good news to UW Oshkosh Today.
