This week, the University of Wisconsin Oshkosh welcomed many middle and high school students to campus to give them a glimpse into college life and classes. Programs in the subject areas of science, technology, engineering, math, nursing, business and more were offered through the [PreCollege Program](#), within the Center for Academic Support and Diversity.

You'll also catch a glimpse of photographs from the 2012 Titan Golf Classic, which is held annually to raise funds for [UW Oshkosh athletics](#).

Check it out...
