This Week in Focus, catch a glimpse of the fall colors from all around campus. Our photographers also snapped photos of University of Wisconsin Oshkosh soccer, tennis and volleyball teams in action, some video of the growing student "Black and Yellows" fan collective as well as a student-run [dodgeball tournament](#) that helped raise cancer awareness.

Oh, and the lightbulb pics,... those have to do with physics.

Check it out in our weekly one-click video-photo gallery!
