The University of Wisconsin Oshkosh Alumni Association is seeking nominations by March 25 for graduates interested in joining the Alumni Board of Directors.

At least three open positions are expected on the 24-member Alumni Board beginning in fall 2014. Self-nominations are accepted. Terms are for three years.

Board members Linda Bailey Boilini '73, James Hoffman '75 and MS '82, and Tom Rath '70 and MST '76, will complete their terms with the annual meeting in May.

The board, driven by pride in UW Oshkosh's successes, builds connections among alumni, students and the University.
