By signing below, I agree to pay the total charges on my UW Oshkosh student account by the payment deadlines listed in the web guide for my program. I understand that estimates for additional expenses listed above are based on information available to the OIE at the time of publication and, where applicable, on the exchange rate on the date specified above. I understand that changes to fees by the US Department of State (passports), the airlines, and other entities not contracted by UW Oshkosh or our partners; a change in the exchange rate; and/or unexpected personal emergencies not covered by insurance can cause adjustments to my final cost.

I understand that I must contact my healthcare provider for the cost of immunizations. If I find that I need financial aid to cover immunizations after I have submitted this form to the OIE, I may re-print this form, list the cost of immunizations and submit this to my Financial Aid study abroad advisor at least 60 days prior to my departure date.

I understand that as soon as I complete my study abroad application, I will incur financial penalties if I withdraw. I understand that those penalties are NOT equal to any amount that I may have already paid for my program. Penalties may be higher or lower than the amount already paid and will be determined according to the withdrawal & refund policy that I signed.

If my parents or guardians have not signed this form, I affirm that I am not a minor.
