

## Academic Assessment

Academic program assessment will occur every two years. The biennial program assessment report form is available on the Office of the Provost's Academic Affairs website. The report will have five sections: 1) Program Goals and Intended Student Learning Outcomes; 2) Assessment Methods/Tools Appropriate for Learning Outcome; 3) Analysis of Results Feedback Mechanisms; 4) Interpretation of Assessment Results; and 5) Assessment Results Used to Inform Change or Improvement. These reports are to be summarized and included in the evaluation portion of the program review self-study document.
