

What is a STAR?

Your STAR (**S**tudent **A**cademic **R**eport) is the official document we use at UW Oshkosh to chart your degree progress. Your STAR lists your general education and degree requirements as well as the requirements associated with your declared major and/or minor. If you are exploring majors, your STAR will list general education requirements within a particular degree program.

What does your STAR reflect?

Your STAR is personalized to *you* and is updated continuously to reflect courses you have completed, UW Oshkosh coursework you have in-progress, as well as any changes made to your record. Courses in-progress at another college or university and CLEP or AP scores do not appear on your STAR report until official transcripts or score reports have been processed. Use your STAR along with the degree planning guides available on the UARC web site to track your academic progress.

The Language of STAR

Your STAR uses a simple “OK” or “NO” indicator for each of your degree and general education requirements to signal which of these you have fulfilled and which ones you still need to complete. For general education or major/minor requirements with multiple components (for example, an area requirement such as “Humanities”) a plus or minus sign will show for each component. The final page of your STAR includes a helpful “key” or “legend.”

Make certain your STAR is correct

You are responsible for making sure that your STAR contains accurate, up-to-date information about your degree plan, your major and/or minor. If you would like to make changes to your STAR, please visit the UARC and meet with your academic advisor who will help you complete a request for change of degree/major/minor form. Changes to your major or degree plan are generally reflected on your STAR within 10 business days. Other changes, such as entering approved modifications to your current degree program and plan, may take longer.

Confused about your STAR?

Bring your questions *and* your STAR to your Titan Transfer advising session! If you waived your advising appointment but now would like to meet with an advisor, please Email us at transferdays@uwosh.edu and ask to sign up for a Titan Transfer advising session. If you must waive your advising, see your academic advisor in the Undergraduate Advising Resource Center, located in Dempsey Hall, Room 130, soon after the start of classes for the coming term!
