Wisconsin Technical College System and University of Wisconsin System
PROGRAM-TO-PROGRAM ARTICULATION AGREEMENT TEMPLATE

University of Wisconsin (UW) Oshkosh
Fox Valley Technical College

WTCS Degree Type and Program: A.A.S. in Software Developer
UW Degree Type and Major: B.S. with a major in Software Technology

Effective Date: July 1, 2022
Next Review Date: May 1, 2024
☐ New Agreement ☒ Revised Agreement

Agreement Description and Rationale:
This articulation agreement is being established in order to expand educational opportunities for students enrolled in the Software Developer program at Fox Valley Technical College (FVTC). Students completing the A.A.S. in Software Developer at FVTC will be able to finish a bachelor’s degree in Software Technology at UW Oshkosh. The B.S. degree with a major in Software Technology will be conferred by UW Oshkosh after the successful completion of the specified UW Oshkosh courses in residence at UW Oshkosh in addition to the UW Oshkosh courses transferred from FVTC. This will allow for current associate degree holders and new students at FVTC to maximize their educational experiences and decrease redundancy in courses taken and reducing time to degree.

This articulation agreement is entered into with the understanding that both parties shall remain properly accredited with their respective accrediting bodies, to wit:

- UW Oshkosh: The Higher Learning Commission
- Fox Valley Technical College: The Higher Learning Commission

Here follows the curriculum agreed upon in this Articulation between UW Oshkosh and Fox Valley Technical College:

Admission Requirements/Conditions Specific to this Agreement:
In addition to the requirements for general admission to UW Oshkosh, students must also have completed the A.A.S. in Software Developer at FVTC.

Articulation Transfer Agreement Terms:
The terms of this agreement apply to Fox Valley Technical College students who successfully complete the A.A.S. degree in Software Developer; meet the admission requirements set forth below for UW Oshkosh; and enroll in the B.S. degree with a major in Software Technology.

A transfer course/credit articulation table illustrating the list of courses the student must complete to earn the B.S. degree with a major in Software Technology at UW Oshkosh; course/credit requirements fulfilled at Fox Valley Technical College; and courses the student must take at UW Oshkosh may be found in Appendix A.

In addition, students must meet the following requirements to receive the B.S. degree with a major in Software Technology at UW Oshkosh:

- The minimum number of credits to earn the B.S. degree from UW Oshkosh is 120.
- A minimum cumulative GPA of 2.0.
- Upper level course work: A minimum of 35 credits must be completed at the 300-level or above.
- Credits from four-year institutions: A minimum of 48 credits must be earned from four-year institutions. This does not limit the number of credits that can be transferred from WTCS institutions to UW Oshkosh.
- Credits from UW Oshkosh: A minimum of 30 credits must be earned from UW Oshkosh.

Format satisfies UW System Guidelines for Articulation Agreements outlined in the Academic Information Series ACIS 6.2
Wisconsin Technical College System and University of Wisconsin System

PROGRAM-TO-PROGRAM ARTICULATION AGREEMENT TEMPLATE

- Residency requirement: Completion of 15 of the last 30 credits earned toward the degree must be from UW Oshkosh.
- Satisfactory completion of the degree credit requirements listed in Appendix A.

Additional coursework completed at Fox Valley Technical College may be transferrable to satisfy UW Oshkosh general education or breadth requirements. These courses are listed in Appendix A or are searchable through the UW System online credit transfer tool, Transferology (https://www.wisconsin.edu/transfer/wizards/).
