

Articulation Agreement
University of Wisconsin (UW) – Oshkosh
Moraine Park Technical College (MPTC)

MPTC Degree: Associate of Applied Science (A.A.S.) in Graphic Design

UWO Degree: Bachelor of Fine Arts (B.F.A.) in Graphic Design

Effective Date: July 1, 2023

Next Review Date: July 1, 2026

Revision History:

New Agreement

Revised Agreement

Agreement Description and Rationale:

This articulation agreement has been established to expand educational opportunities for students who complete the Graphic Design program at Moraine Park Technical College by providing an efficient transfer to earn a Bachelor of Fine Arts in Graphic Design at UW-Oshkosh.

The agreement demonstrates the curricular alignment of the two programs, thus enabling current associate degree holders, new students, and returning students to maximize their educational experiences and decrease redundancy in courses taken. This reduces time and expense, which are often barriers to earning a bachelor's degree.

Admission Requirements/Conditions Specific to this Agreement:

Transfer students from Moraine Park Technical College will be admitted under this agreement only if they a) have successfully completed the A.A.S. in Graphic Design program, fulfilling all coursework stipulated therein, with a cumulative grade point average of at least 2.5/4.0; b) meet the standard admission requirements for UW-Oshkosh; and c) enroll in a B.F.A. degree program with an emphasis in Graphic Design.

Articulation Transfer Agreement Terms:

The terms of this agreement apply to Moraine Park Technical College students who complete the A.A.S. in Graphic Design; meet the general admission requirements set forth by UW-Oshkosh; and enroll in the Bachelor of Fine Arts in Graphic Design.

Students admitted to UW Oshkosh under the terms of this agreement who subsequently elect to pursue a degree and/or major other than the B.F.A. in Graphic Design will find that the extended transfer of credit does not apply outside of this program.

A transfer course/credit articulation table illustrating the list of courses the student must complete to earn the B.F.A. in Graphic Design at UW-Oshkosh fulfilled at Moraine Park Technical College and those that must be taken at UW-Oshkosh, may be found in Appendix A.

Students must meet the following requirements to earn the B.F.A. in Graphic Design degree at UW-Oshkosh:

- A minimum cumulative GPA of 2.000
- Satisfactory completion of the major and degree requirements listed in Appendix A
- A minimum of 21 credits of 300/400 level courses in residence at UW-Oshkosh
- A minimum of 30 credits in residence at UW-Oshkosh

Additional coursework completed at Moraine Park Technical College may be transferable to satisfy UW-Oshkosh general education or breadth requirements. These are searchable via the UW-Oshkosh link on the Transferology website at www.transferology.com/school/uwosh.

Elective Transfer Credits		22							
Total Transfer Credits		60	Total Credits to Be Taken at UWO for B.F.A.		77				

Important: The totals shown are estimates. The exact number of credits needed will depend on the specific choices made in USP and Major courses.

Transfer students are encouraged to consult with the UW Oshkosh Transfer Admissions Counselor (transfer@uwosh.edu) for pre-advising regarding the transfer process and course selection.

Notes:

- ¹ Other communication & math choices are available to take at MPTC. The courses listed in Table 1 are the only courses that will transfer to satisfy UWO USP requirements.
- ² This MPTC program includes two Social Science electives, and there are other choices available. Selecting from the recommended courses listed above will provide the most efficient credit transfer.
- ³ Specifics for the B.F.A. Humanities requirement above, including Explore Culture (XC) from USP:
 - Six of the nine required (XC) credits can come from required art classes, such as ART 111, 112, 114, 209, and 210
 - One additional course (from any non-fine arts area) - can be met by transfer course

This pre-advising agreement can be viewed online at uwosh.edu/admissions/how-to-apply/transfer/transfer-agreements.
