New Agreement

Revised Agreement

Agreement Description and Rationale:

This articulation agreement has been established to expand educational opportunities for students who complete the Graphic Design program at Moraine Park Technical College by providing an efficient transfer to earn a Bachelor of Science or Bachelor of Arts with a major in Art and an emphasis in Graphic Design at UW-Oshkosh.

The agreement demonstrates the curricular alignment of the two programs, thus enabling current associate degree holders, new students, and returning students to maximize their educational experiences and decrease redundancy in courses taken. This reduces time and expense, which are often barriers to earning a bachelor's degree.

Admission Requirements/Conditions Specific to this Agreement:

Transfer students from Moraine Park Technical College will be admitted under this agreement only if they a) have successfully completed the A.A.S. in Graphic Design program, fulfilling all coursework stipulated therein, with a cumulative grade point average of at least 2.5/4.0; b) meet the standard admission requirements for UW-Oshkosh; and c) enroll in a B.S./B.A. degree program with a major in Art - Graphic Design.

Articulation Transfer Agreement Terms:

The terms of this agreement apply to Moraine Park Technical College students who complete the A.A.S. in Graphic Design; meet the general admission requirements set forth by UW-Oshkosh; and enroll in the Bachelor of Science or Arts in Art - Graphic Design.

Students admitted to UW Oshkosh under the terms of this agreement who subsequently elect to pursue a degree and/or major other than the B.S./B.A. in Art - Graphic Design will find that the extended transfer of credit does not apply outside of this program.

A transfer course/credit articulation table illustrating the list of courses the student must complete to earn the B.S./B.A. in Art - Graphic Design at UW-Oshkosh fulfilled at Moraine Park Technical College and those that must be taken at UW-Oshkosh, may be found in Appendix A.

Students must meet the following requirements to earn the B.S./B.A. degree in Art - Graphic Design at UW-Oshkosh:

- A minimum cumulative GPA of 2.000
- Satisfactory completion of the major and degree requirements listed in Appendix A
- A minimum of 21 credits of 300/400 level courses in residence at UW-Oshkosh
- A minimum of 30 credits in residence at UW-Oshkosh

Additional coursework completed at Moraine Park Technical College may be transferable to satisfy UW-Oshkosh general education or breadth requirements. These are searchable via the UW-Oshkosh link on the Transferology website at www.transferology.com/school/uwosh.
