Registration Toolkit

A new resource, The Registration Toolkit, was developed in collaboration between the UARC and Registrar's Office. This is an all-encompassing resource to help students from pre-registration through post-registration. Here you will find how-to videos and instructions and any necessary forms for the entire registration process. This resource was designed not only for students, but for advisors as well.

PAL Virtual Registration Assistance

Students who prefer more hands-on support can work one-on-one with a Peer Advising Liaison (PAL) in the UARC. This assistance will be provided virtually using screen-sharing in MS Teams. To request registration assistance students may call the UARC at 920-424-1268 during normal business hours.
